

# RESORT *Air*

EXPERIENCE  
*All Hawaii has to offer*  
LIKE NEVER BEFORE

HONOLULU INTERNATIONAL AIRPORT  
HONOLULU, HAWAII

AT LAST, EXCLUSIVE LUXURY JET SERVICE WITH ALOHA...

**THE RESORT GROUP**, a name that offers you world class resorts throughout the islands of Hawaii, is pleased to offer Hawaii's only locally owned interisland Private Jet service, Resort Air.

**RESORT AIR** understands how important your time is whether your trip is for business or leisure. Private Jet travel saves precious time with no required check-in, and immediate take off. Resort Air also offers exclusive service to small airports throughout the state giving you convenient access to luxury resorts, championship golf courses, designer shopping, exciting entertainment, and secluded island locations.

## SAFETY IS OUR PRIORITY

Our all jet turbine powered aircraft, is piloted by some of Hawaii's most experienced and knowledgeable professionals and has a safety record second to none. Our dedication to service is evident from the moment you step aboard.

All pilots are qualified Pilot in Command, have more than 100,000 hours combined flight time, and have military and / or airline experience in Hawaii.

## OUR PILOTS ARE THE EPITOME OF SERVICE PROFESSIONALS

All Resort Air pilots attend a mandatory ongoing training course twice yearly from Flight Safety International exceeding the requirements set by the FAA. This ensures maximum safety and professionalism in everything we do. We operate under a stringent FAA Part 135 Air Transport Certificate, the highest safety standards in aviation.

Resort Air is a member of the National Business Aviation Association which promotes business aviation safety, access, professional development, operational excellence and security in the aviation industry.

## EXPAND YOUR POSSIBILITIES WITH UNIQUE INTER-ISLAND TRAVEL...

Unlike most commercial airlines, Resort Air's Fleet has the distinct ability to access local airports with shorter runways and 24/7 capability offering you the chance to fly directly to remote destinations such as the private airport at Princeville on Kauai's North Shore, Maui's picturesque Hana Airport and the Big Island's Kamuela Airport.

## ONLY JET CHARTER SERVICE CAPABLE OF SMALLER AIRPORT OPERATIONS

Historically, Resort Air is the only company of its kind to have succeeded in its mission and remain a viable airline for the length of time it has been in existence. No other airline in the State of Hawaii has accomplished what Resort Air has.

RESORT AIR LOUNGE & HANGAR  
HONOLULU AIRPORT

HANGAR AND LUXURY LOUNGE LOCATED CONVENIENTLY ON THE  
SOUTH RAMP OF HONOLULU INTERNATIONAL AIRPORT

If privacy and security is your priority, our private Honolulu Airport lounge and Hangar provides you with a secure, safe and convenient business center to keep you connected around the world.

WE OFFER PERSONAL CONCIERGE SERVICE BECAUSE  
YOUR TIME IS VALUABLE

Resort Air provides exceptional customer service to those with discriminating taste and a demand for the finer things life has to offer.

Our dedicated concierge professionals will accommodate your every need including flight reservations, limousine service, luggage handling, recreation and resort accommodations. Our staff is available to you around the clock and will ensure your travel arrangements are handled proficiently.

PRINCEVILLE AIRPORT  
NORTH SHORE OF KAUA'I

RESORT AIR HAS EXCLUSIVE JET ACCESS  
TO PRINCEVILLE AIRPORT ON KAUAI'S  
NORTH SHORE

Majestic cliffs and white sand beaches welcome you to the Garden Isle. The airport is located within the World Class Princeville Resort and Spa, Robert Trent Jones, Jr. championship golf courses, and invigorating outdoor activities.

Capable of any type of flight arrangements, charter, contract or as a benefit to hotel, fractional ownership services, as our FAA Part 135 allows us to do all types of flying, except scheduled air taxi operations.

CESSNA CITATION II  
CORPORATE JET

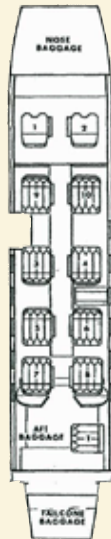

## LUXURIOUS CABIN COMFORT

### General characteristics

- Crew: 2
- Exceeds Standards for FAA Certification
- Capacity: 8 passengers

### Performance

- Cruise speed: 340 knots

The functional design of the Citation II makes it one of the most practical cabins a private jet can offer. From the overstuffed executive leather seats to the sound dampening interior ensuring a quiet ride, passengers experience the lap of luxury. The cabin is pressurized at higher standards than commercial airlines for maximum comfort.
